Putnam Clubhouse Presents: So, Do You Think You can Dance? Reach for the Stars!

REQUEST FOR SPONSORSHIP DONATION FOR 2017 EVENT

On October 28, 2017 Putnam Clubhouse will hold its annual gala: **So, Do You Think You Can Dance? Reach For The Stars!** This year's event will be held at the Concord Hilton. Because it's our 10th anniversary, we've planned an exciting dance competition with community leaders, politicians, and celebrities performing.

Putnam Clubhouse employs a proven approach to recovery from serious mental illness. Members (program participants) are encouraged to achieve their highest potential and create a fulfilling life. For some this means returning to school or work while others are assisted in obtaining housing or accessing comprehensive medical and psychiatric care. The Clubhouse affords all members the opportunity to engage in meaningful activity and belong to a supportive working community.

You can help us continue our success by becoming an event sponsor:

Platinum Sponsorship of \$10,000 - complimentary event table for 10 guests

Gold Sponsorship of \$5,000 - complimentary 5 event guest tickets

Silver Sponsorship of \$3,000 - complimentary 3 event guest tickets

Bronze Sponsorship of \$2,000 - complimentary 2 event guest tickets

Supporting Sponsorship of \$1,000 - complimentary event guest ticket

All proceeds from the fundraiser will go directly toward changing the lives of hundreds of Clubhouse members. Grants and other funding sources alone aren't enough to sustain Clubhouse programming, so we need your support!

In addition to knowing you've made a difference in the community, your company name will appear on our website and newsletter, in the event program, and in all event promotional materials. Your organization will be publicly thanked verbally and on a banner at the event, which will have more than 350 Clubhouse supporters and community dignitaries in attendance. You will also receive a letter acknowledging your charitable contribution.

Please contact Putnam Clubhouse Director Tamara Hunter by phone at (510) 926-0474 or by email at tamara@putnamclubhouse.org to become an event sponsor at any level or if you have questions. The 2017 Board of Directors thanks you in advance for your consideration of this request and for supporting the members and Clubhouse with your sponsorship.

With much appreciation,

Tamara Hunter

The Clubhouse has been a tremendous support for Alita with going back to school, finding work, and making friends. She is very grateful to have the Clubhouse in her life. Being part of the Clubhouse community has given her the hope, confidence, and strength needed to continue on her path to recovery. — **Alita Van Hee**

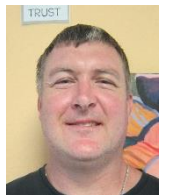

When the Clubhouse opened, David joined right away, looking for a more fulfilling circumstance and help with social skills. David wanted to learn more about job seeking and wanted a program that would help him have more purpose and values. David has reached many goals during his time at the Clubhouse, including finding paid employment, learning to embrace healthy core values, and overall improvement in quality of life. — **David Bragen**

Tim has built many lasting relationships through the Clubhouse. And with the help of the Clubhouse's supported employment program Tim has been able to gain more independence through assistance with medical, psychological, pharmacological, and transportation issues. Tim enjoys working daily in the Hospitality Unit and loves the social programming that is offered. Tim looks forward to putting on his slacks and stylish sports jacket to attend the Clubhouse International Seminar in the fall of 2017 in Detroit. — **Timothy Putnam**

With the support of the Clubhouse, Nkrumah has been able to break free from isolation and build strong and positive relationships with like-minded members of the Clubhouse community. Nkrumah now attends the Clubhouse daily and for the first time in 20 years has gained financial independence. The structure of the Clubhouse has been crucial to Nkrumah's recovery and he is now approaching 13 years of sobriety. — **Nkrumah Lewis**

Putnam Clubhouse has given Greg many exciting opportunities and experiences. Greg appreciates the camaraderie, relationships, community, and most importantly the hope the Clubhouse has given him. With the support of the VERDE Unit (Vocational, Education, Retail, Development, and Enrichment), Greg started a transitional employment placement at Crestwood Healing Center. Upon completion he looks forward to entering the competitive job market. — **Greg Beckner**

Alita, David, Tim, Nkrumah, and Greg have been receiving support from the Putnam Clubhouse since it opened in 2008. They are just a few of the hundreds of members whose lives have been changed forever by joining Putnam Clubhouse. There are hundreds more like them at the Clubhouse, each of whom sends heartfelt thanks for your generous support!
